#STEPCON21

STEM Prizes will be Awarded!

Registration Opens: Aug. 13, 2021

The STEP Board, California Space Grant Consortium, and UC Riverside Bourns College of Engineering, along with collaborating partners invite you to enjoy the premier regional STEM Educator Conference. The purpose of the FREE conference is to build a STEM culture in the Inland Empire by inspiring hundreds of area educators with motivating keynote speakers, immersive workshops, hands on activities, and engaging panels and discussions.
